WELCOME

Welcome to the world of Neutral®. It's a place where we believe it's okay to make certified clothing. There are so many good stories to share and we try to do just that throughout this catalogue. Being sustainable is okay. Certified okay!

NEWS 2023

This year, we welcome 12 new certified styles in our product catalogue and introduce some of our current styles in even more eco-friendly colours!

We have exciting new accessories such as our Bucket Hat, Interlock Beanie, and Tube Scarf. We have extended our Recycled Performance wear with the new colourful styles: Long Sleeve T-shirt, Kids T-shirt, and Shorts.

To our label free Tiger Cotton® Collection we have added the new styles Ladies T-shirt, Kids T-shirt, and our popular Twill Bag.

Most importantly of all, we are delighted to introduce our new collection where excess materials from our own production find a new purpose: Recycled Cotton. We prolong the life circle of our waste by reusing and recycling cotton and plastic waste into new products. Go to page 14 for the full introduction.

PERFORMANCE

TIGER COTTON®

RECYCLED COTTON

CERTIFIED RESPONSIBILITY™

Making sustainable clothing can be tricky. But with certificates, it doesn't have to be. They guide us through the supply chain, from cotton field to final product, telling us what's okay. That's why our certificates are more than just funky looking stamps. They are your guarantee that Neutral® products are made according to the highest standards in the world.

SEE THE
OKAY WAY
FROM COTTON
TO T-SHIRT

FROM OKAY COTTON

TO OKAY T-SHIRT!

CERTIFIED RESPONSIBILITY™

GOTS

Neutral® products are made from 100% organic cotton certified by GOTS. It's biological fertilizers and earthworms instead of chemicals, cleaner rivers and groundwater, enriched biodiversity and toxic free handpicking by the farmers.

NEUTRAL® RESPONSIBILITY

Instead of using conventional energy Neutral® products are manufactured using renewable energy. That way, Neutral® Responsibility helps reduce CO2 and is beneficial for both local environment and global climate.

FAIRTRADE

Fairtrade isn't charity. It's an okay way to trade. Farmers growing Neutral® cotton receive a fair price for their crops. With the Fairtrade minimum price and Fairtrade Premium, they can invest in better tools or send their kids to school.

SA8000

Factory workers are hardworking people. It's okay when they have good, safe working conditions. By using SA8000, the highest international labour standard, we know that's the case.

EU ECOLABEL

We treat and reuse wastewater and reduce and recycle waste. We only use the most environmentally friendly dyes and continuously innovate the way we make clothing. All according to the highest industry requirements demanded by the EU Ecolabel.

OEKO-TEX

Oeko-Tex screens your finished product for hazardous chemicals and any other harmful substances. That way, Oeko-Tex becomes your final okay stamp and guarantee. Neutral® clothing is clean and ready to wear. No need to wash, just 100% okay!

INTRODUCING RECYCLED COTTON

A NEW RECYCLED COLLECTION BY NEUTRAL®

Excess materials from our production find new purpose in Neutral's new collection – Recycled Cotton. It's high-quality basic wear made from 60% cotton waste from our own production and 40% recycled polyester made of plastic waste collected in India. Neutral's Recycled Cotton Collection is certified EU Ecolabel, SA8000, Oeko-Tex and made solely on renewable energy like the rest of our styles.

OUR COTTON WASTE GAINS NEW LIFE - AND THIS IS HOW. The cotton cut-offs from our production are first separated by colour at the production tables. Then shredded into crude fibre which is mixed with recycled polyester and then re-spun into new yarn. The new life cycle of our cotton has begun! By recycling our cotton waste, we prolong the life of our cotton fibres and require fewer resources than producing new yarn.

And as always – it's made with certified responsibility. **AGAIN, AGAIN, AND AGAIN.**

Neutral®
Certified Responsibility™

OKAY FACT #2 MORE SUGAR PLEASE

Instead of spraying with toxic chemicals, Neutral® cotton farmers use biological pesticides like sugar water. Ants love sugar and now have a new best friend and food supply in the cotton plant, which they'll defend from intruders like beetles and pest attacks. Okay ants. Okay crop protection!

CERTIFICATES

A group of four young adults—two men and two women—are standing outdoors in a grassy field under a bright blue sky with scattered clouds. They are all wearing athletic t-shirts in yellow, blue, light green, and dark blue. The man in the yellow shirt has his arm around the man in the blue shirt. The woman in the light green shirt has her arm around the man in the blue shirt. All four individuals are smiling and appear to be in a good mood.

PERFORMANCE

FROM WASTE PLASTIC BOTTLES

NEUTRAL® PERFORMANCE WEAR

Here it is. Our new Performance T-shirts. Made from 100% recycled post-consumer plastic bottles. That way, we can save perfectly durable material from ending up as waste at landfills in India. With 100% commitment to certified clothing, we give waste a second chance to become your new favourite performance wear. That's okay!

OKAY FACT #3

BUTTONS FROM COTTON

Normally, buttons are made from plastic or metal. It's even accepted by the highest environmental standards like the EU Ecolabel. But why not make buttons from cotton instead? That's what we do.

A photograph of a young man and woman standing outdoors in a sunlit, wooded area. The man, on the left, has short blonde hair and is wearing a light blue polo shirt. He is smiling and looking towards the woman. The woman, on the right, has long blonde hair and is wearing a white polo shirt. She is also smiling and looking towards the man. The background is filled with green trees and sunlight filtering through the leaves.

OKAY FACT #4 FAIRTRADE ISN'T CHARITY

Indian farmers have a hard time making a living from selling cotton due to weak bargaining positions and highly volatile prices in the global cotton market. Fairtrade complements market mechanisms, giving Neutral® farmers a fair chance to improve their lives. A fair deal is an okay deal!

OKAY FACT #5 HANDS ON

In India, cotton is mostly picked the old school way by hand. Conventional farming needs toxic chemicals. Picking that with your fingers isn't smart. But with organic cotton it's completely okay!

A close-up photograph of a tiger's face, focusing on its intense orange eyes, the stripes on its forehead, and its white whiskers. The tiger's fur is a mix of orange and black stripes.

LABEL FREE COLLECTION

**CONVERTING CONVENTIONAL FARMERS INTO
ORGANIC COTTON SINCE 2017**

Tiger Cotton® works to protect the biodiversity, people and planet by converting conventional farmers to fully certified organic production. By choosing Tiger Cotton®, you choose to support small-scale Indian cotton farmers' journey from conventional cotton into organic cotton and thereby directly influence the supply of organic cotton brought into the industry. All the while protecting the Bengal Tigers in the area from toxic chemicals and pesticides while they wander between nature reserves.

JUST THE BEGINNING. So far, Tiger Cotton® has converted more than 4,000 cotton farmers into organic cotton production. But it's just the beginning! We are expanding the project and are continuously looking for new farmers to join our Tiger Cotton®-Initiative.

Tiger Cotton® is high quality label free basic wear made from 100% organic cotton in conversion and certified with EU Ecolabel, SA8000, GOTS in Conversion, Oeko-Tex and made on solar and wind energy only.

**IT'S OKAY FOR THE TIGER, THE FARMERS AND THE BIODIVERSITY.
CERTAINLY, OKAY WITH US.**

TIGER CORRIDOR

HOW WE HELP PRESERVE AND PROTECT OUR BIODIVERSITY

Below you can see a map of our first Tiger Cotton project in Madhya Pradesh. When the tiger wanders from one nature reserve to the other the cotton fields function as an important tiger corridor. Without the toxic impact of pesticides in cotton farming the tiger, the wildlife, and the farmer can thrive. **THAT'S MORE THAN OKAY!**

OKAY FACT #6 SMART FARMING

Organic cotton doesn't need harmful chemicals to grow. It uses less water. And it leaves room for small creatures like worms and beetles, improving soil quality. Finally, it saves farmers and their families from pesticide related diseases.

A photograph of two young children, a girl and a boy, standing outdoors in a wooded area. The girl, on the left, has long brown hair and is wearing a maroon hoodie. She is smiling and looking towards the camera. The boy, on the right, has curly brown hair and is wearing a grey hoodie. He is also smiling and looking towards the camera. The background is filled with blurred green and yellow foliage, suggesting a sunny day in autumn.

Every year, World's Best News – a campaign created by the UN, Danida, the private sector and civil society – hosts a pop-up event where they share positive stories on global development with Danish citizens. For that, they use Neutral® T-shirts and bags to emphasize their message.

Photo: Verdens Bedste Nyheder

OKAY FACT #9 SHARE WHAT YOU WEAR

The clothing industry is the most polluting in the world after oil. Fortunately, we have the solutions to do better. One T-shirt at a time, we can push for industry change and share the beauty of sustainability and all its inspirational stories!

Please do share what you wear with us and tag us in the post or story, so we can spread awareness of certified, sustainable and responsible clothing together.

FIND US ON SOCIAL MEDIA HERE!

SUSTAINABLE STORYTELLING

Neutral® is more than clothing. It's a communication platform for you to inspire people and business to act okay. You can add a personalized message or simply show your commitment to sustainability through our Certified Responsibility™ labeling and hangtags. Either way, with Neutral® you can share your stories with great impact on a T-shirt you need anyway.

CUSTOMIZED PRODUCTIONS

If you need apparel with a special design or company branding, why not make your own Neutral® production? From style and fabric to labeling and packaging, we can help you get any clothing you want as long as it can be made according to the high standards of Certified Responsibility™.

WE BELIEVE IN BEING OKAY

With 100% commitment to certified clothing,
we can improve our planet, make workers
healthier, and give farmers hope. That's okay!

NEUTRAL® CERTIFICATE GUIDE

GOTS

100% organic cotton by GOTS Sustainable Textile methods certified and inspected by Control Union. The aim of the standard is to ensure the textiles are made using organic raw materials and environmentally and socially responsible methods. **License no. CU810963**

EU ECOLABEL

The official EU label for Greener Products. Ecolabelled products have a comparatively modest impact on air, water, soil, quality, natural resource consumption, global warming and biodiversity. Products must pass rigorous environmental fitness tests, with results verified by an independent body. The label adorns top performing products only. **License no. DK/016/049**

FAIRTRADE

The Fairtrade Certification Mark is your independent guarantee that the cotton in this product has been certified in accordance with international Fairtrade Standards. www.info.fairtrade.net

License no. 19007

SA8000

SA8000 is based on the principles of international human rights norms. It measures the performance of companies in eight key areas: child labour, forced labour, health and safety, free association and collective bargaining, discrimination, disciplinary practices, working hours and compensation.

NEUTRAL® RESPONSIBILITY

Renewable energy powers the Neutral® production. That way, making Neutral® clothing contributes to cleaner environments and fights climate change. In times of surplus, energy not needed for production is directed to local networks.

OEKO-TEX

The Oeko-Tex Standard 100 comprehensively addresses the human ecology component of textile products. It evaluates and screens for any harmful substances present within processed textiles, which are intended to come into contact with consumers. **License no. ZHGO 034436**

NOTE: The PMS Codes only serve as a guideline. The actual colours may vary slightly.
Recycled cotton colours may vary from batch to batch.

WINNER OF CSR ABROAD 2015

The Ministry of Foreign Affairs of Denmark & Investment Fund for Developing Countries awarded Neutral® the CSR Abroad Prize dedicated companies promoting social responsibility and sustainable growth in the developing world.

WINNER OF SUSTAINIA FASHION 2013

Sustainia and their advisory board, including most notably **WWF & The Sustainable Apparel Coalition**, selected Neutral® as the most sustainable solution in the fashion sector.
